## **NYIFT SUPPLIERS DAY Update on Coronavirus Safety Measures**

March 6, 2020

The New York IFT and the Meadowlands Exposition Center (MEC) are closely monitoring the latest developments regarding the Coronavirus (COVID-19) globally and any impact it may have on the NYIFT Suppliers Day & Career Fair. The health and safety of our guests is our top priority. The NYIFT Suppliers Day, Career Fair & Technical Seminar will proceed as planned and will be held on Wednesday, March 25, 2020.

The NYIFT Suppliers Day & Career Fair is a regional show. We have no exhibitors from overseas and only a handful of exhibitors from Canada. Most of our attendees are from the East Coast / tristate area.

To view a list of current exhibitors please visit: <https://nyift.org/2020-nyift-exhibitors/>

The **Meadowlands Expo Center** is also closely monitoring the latest developments regarding the Coronavirus (COVID-19). They have advised us that through public health organizations such as the Center for Disease Control (CDC) and the World Health Organization (WHO), they are staying abreast of the latest updates and developments as they occur. The Expo Center will continue to be guided by the prevention and best practices recommendations of these organizations, in conjunction with their local public health officials.

The MEC is also being supported by ASM Global corporate resources to ensure that they implement operational best practices throughout their network of facilities.

We look forward to seeing everyone at the NYIFT Suppliers Day & Career Fair on Wednesday, March 25 and will continue to share the most up to date information possible, to ensure a positive show experience for every attendee and exhibitor of the 2020 NYIFT Suppliers Day & Career Fair!
