NYIFT Suppliers Day POSTPONED to Tuesday, September 22, 2020

Location will remain at **Meadowlands Expo Center**

March 11, 2020

As a result of recent corporate travel restrictions, and our commitment to the health and safety of everyone involved due to the concern of the Coronavirus (COVID-19), NYIFT has made the decision to **POSTPONE** its NYIFT Suppliers Day Expo, Technical Seminar and Career Fair originally planned for Wednesday, March 25, 2020, to

Tuesday, September 22, 2020.

The location will remain the same at the Meadowlands Expo Center in Secaucus, NJ.

We are currently updating all of our communications but wanted to let you know the new dates so that you can make any travel changes required and do not incur any shipping or other costs involved. This delay will hopefully put us past the window of concern surrounding this health event while meeting the needs of our members and trade show partners to have a successful local NYIFT program with high attendance this year.

If you have registered to exhibit and can participate on Tuesday, September 22, there is nothing you need to do. If you cannot make the new date, please let us know via email nyiftoffice@optonline.net by Friday, April 17, 2020.
